

**PROTECTION HEAD**

Mounting of sensor: plain tube Ø22,3mm,  
Ø26,8mm, Ø32,5mm

**Type:**  
**PH-A**

Sheet No.  
7-5 V2.1

10104-E240919V2.1

**Application:**

- For the mounting of sensor elements to protect electrical connections between temperature sensor and receiver
- For the mounting of ceramic block or temperature transmitter

**Properties:**

- Made in accordance with DIN43729
- IP 6

**MECHANICAL SPECIFICATIONS:****Case and cap material:**

Silumine

**Surface:**

Epoxy coated

**Mounting of cap:**

2 screws

**Process entry:** -----

Ø22,3mm

Ø26,8mm

Ø32,5mm

Special

**Inner measures for transmitter or other:**

Ø56 x 25mm

**Ambient temperatures min/max:**

-40 ÷ 100°C

Special

**Cable entry:**

M20x1,5
